Abbot Smith said that the final draft of NIE 14-3-67 has been sent to the USIB principals for review. The Director said that this Estimate is not to be put on the USIB agenda until after Labor Day. He asked that the DDCI and Abbot Smith meet with General Carroll at the latter's request to discuss the "numbers" problem.

Abbot Smith noted that a reply to the criticism of the recent Estimate on the Latin American economic situation will be ready today for forwarding to Walt Rostow.

25X

Carver said that he received a letter recently from Henry Cabot Lodge asking for comments on a magazine article he is preparing.

The Director initiated a brief discussion on terrorist attacks in South Vietnam.
